Review of Key Issues

WATER

- ◆ Provide 12" South Loop Connection along County Line
- ◆ Require City's Fire Protection Flow either by WD #3 or City of Lee's Summit
- ◆ WD #3 will require an elevated tank for fire flow

PUBLIC SAFETY

- ◆ Fire Protection – LSF (Currently served by S. Metro)
- ◆ Police Protection – Lee's Summit
- ◆ 5 +/- - acre parcel for future public safety parcel

Review of Key Issues

PARKS AND RECREATION

- ◆ 20+ Acre Site for Park Land
- ◆ Multiple open space locations
- ◆ HOA Clubhouse/Pool Amenity Center
- ◆ Interconnected trail system on ROW and HOA

SEWER

- ◆ City of Lee's Summit to LBVSD
- ◆ Excess Flow Basin for Water Shed Build-Out

Review of Key Issues

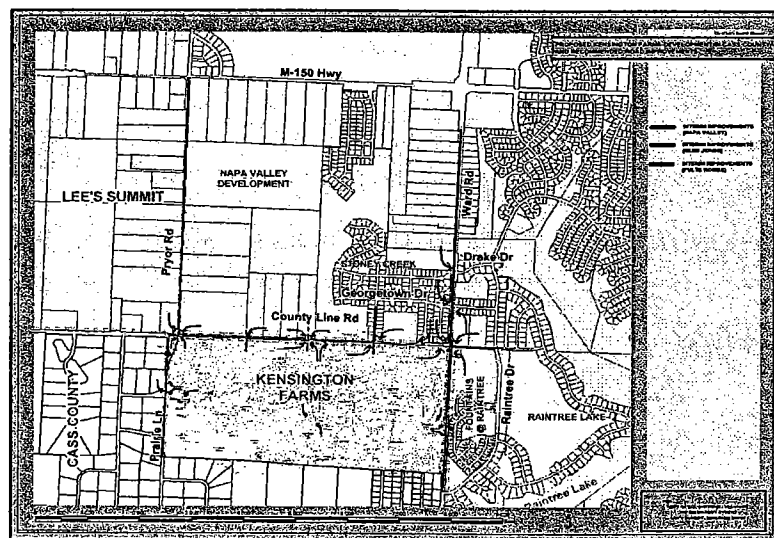

STORMWATER/SILTATION

- ◆ Preservation of many natural features including wetlands
- ◆ Use of siltation ponds and skimmers during construction, similar to Arborwalk techniques
- ◆ Require Updated Design & Construction Standards

SCHOOLS

- ◆ Ray-Pec School District
- ◆ 10+ Acre Site for Elementary School
- ◆ Shared play fields and areas with Parks Department

Review of Key Issues - Roads

WARD ROAD OPTIONS

- Full Arterial Estimate: \$5.1M (City's Est.)
- Pulte Contribution: \$1.5 M for Ward Rd.
- Pulte Capacity of Arterial Road: 20% or an equivalent of \$1.02 M
- Contribution based on CID or other payment method
- Build interim road now per "Fountains at Raintree" agreement or negotiate with Pulte?
