Dear Mr. McNamara,

By now you have finally received the correspondence we have been mailing since last fall. There are a number of requests I need to make on behalf of the Raintree Lake Property Owners Association (RLPOA).

1. As you are a part of the RLPOA all building blueprints need to be on file at our offices. Please provide us a copy of the plans and a plot plan.
2. The area west of your building has major erosion control problems. This area needs to be immediately addressed. Last fall after the sprinkler system was installed the hillside collapsed. Sod was not placed down to the waters edge and the current sod along with the hillside is eroding into the basin. This ultimately is washed into our cove. We need a timeframe of completion on this concern.

A copy of our Covenants/By-laws/Guidelines was sent to you, as you should have also received from RACH LLC their Supplemental Covenants.

If you have any questions or need my assistance, please contact me at 816-537-7576.

Thank you for your assistance.
